**Announcement of JPMorgan Asset Management (China) Company Limited  
on Adjusting the Valuation of the Suspended Stock Held by the Funds of the  
Company**

Based on the *Guiding Opinions of the China Securities Regulatory Commission on the Valuation Business of Securities Investment Funds* (Announcement of the China Securities Regulatory Commission [2017] No.13) and after consulting the custody bank, as of June 6, 2025, the Company decides to adopt the index return method to value the suspended stock 海光信息 (688041) held by the funds of the Company (ETFs excluded). At the same time, the relevant underlying ETFs held by the ETF Feeder Funds, are valued after considering the valuation adjustment factors of the aforementioned stocks on the NAV of the underlying ETFs.

The daily closing price will be used again for valuation of the aforementioned stocks when stock trading resumes and its trading reflects the characteristics of active market transactions. And the relevant underlying ETFs held by the ETF Feeder Funds will be valued using the NAV of the day again. No separate announcement will be given then.
